

CURRICULUM VITA

NAME: Eileen B. Fennell, Ph.D.

HOME ADDRESS: 2530 Northwest 68th Terrace
Gainesville, Florida 32606

BUSINESS ADDRESS: Department of Clinical and Health Psychology
P. O. Box 100165, HSC
University of Florida
Gainesville, Florida 32610-1065

PHONE: (904) 372-2625 Home
(904) 395-0294 Psychology Clinic
(904) 392-4551 Departmental Office

BIRTHDATE: August 5, 1942

PLACE OF BIRTH: Massillon, Ohio

MARITAL STATUS: Married (Mrs. Walter S. Hammond)
Two children (Shannon Elizabeth and Christopher)

EDUCATION:

<i>Institution</i>	<i>Degree</i>	<i>Year</i>	<i>Major</i>
University of Florida	B.A.	1964	Psychology (with honors)
University of Florida	M.S.	1975	Psychology
University of Florida	Ph.D.	1978	Clinical Psychology

Master's Thesis: Lateral differences in the perception of pressure.
Director: Paul Satz, Ph.D.

Doctoral Dissertation: A longitudinal test of the lag theory of developmental dyslexia.
Director: Paul Satz, Ph.D.

RESEARCH AND/OR PROFESSIONAL EXPERIENCE:

Professor, Department of Clinical and Health Psychology, University of Florida (1987-present).

Joint Appointments: Departments of Psychology (1980-present) and Neurology (1987-present).
Associate Professor, Department of Clinical Psychology and Psychology, University of Florida (1983-1987).

Assistant Professor, Department of Clinical Psychology, University of Florida (1978-1983) and Department of Psychology (1982).

Director, Neuropsychology Service, Psychology Clinic, Shands Teaching Hospital, University of Florida (1979-1985).

Director, Psychology Clinic, Shands Teaching Hospital, University of Florida (1978-1980); (1982-1991).

Director, Neuropsychology Training, Department of Clinical Psychology Doctoral and APA Internship Programs (1982-present).

Clinical Internship, Department of Clinical Psychology and VA Hospital; University of Florida (1977-1978) (APA approved).

USPHS Pre-Doctoral Fellow, Department of Clinical Psychology, University of Florida (1975-1977).

Graduate Research Assistant, Neuropsychology Laboratory, Department of Clinical Psychology, University of Florida (1974-1975).

Projects Coordinator, Florida Regional Medical Program Projects No. 129 and 132 (Health Manpower Projections and Nursing Needs and Resources), Health Systems Research Division, Office of the Vice President, J. Hillis Miller Health Center, University of Florida, (1974).

Research Assistant, Florida Mental Health Survey, Departments of Psychiatry and Sociology, University of Florida, with John Schwab, M.D. (1972-1973).

Research Assistant, Migrant Health Care Contract, Departments of Clinical Psychology and Community Medicine, University of Florida, with Louis D. Cohen, Ph.D. (1972).

Research Assistant, Neuropsychology, Department of Clinical Psychology, University of Florida, with Paul Satz, Ph.D. (1965-1970).

Research Assistant, Department of Neurosurgery, College of Medicine, University of

Florida, with Paul Satz, Ph.D., Frederick King, Ph.D. and Lamar Roberts, M.D. (1965).

HONORS/AWARDS:

J. Hillis Miller Scholar, 1962-1963
Phi Beta Kappa, 1964
USPHS Fellowship, 1975-1977
Sigma Xi Scientific Society, 1976
Molly Harrower Psychodiagnostic Award; 1976 (University of Florida)
Outstanding Promise as a Clinical Psychologist, 1978 (University of Florida)
Outstanding Student Research Award, 1978 (University of Florida)
Outstanding Teacher, Department of Clinical Psychology, 1981-1982; 1985-1986
Distinguished Visiting Professor, Wilford Hall, United States Air Force Hospital, San Antonio, Texas, October, 1987
Outstanding Psychological Research Award, Florida Psychological Association, 1991.
American Psychological Association Fellow (Division 40 - Clinical Neuropsychology) Elected 1991.
National Academy of Neuropsychology, Fellow - Elected 1995
Excellence in Teaching Award - 2000

PROFESSIONAL ORGANIZATIONS:

International Neuropsychological Society
International Neuropsychological Society, Board of Governors, (1985-1988)
National Academy of Neuropsychology
Society for Research in Personality Assessment
Society of Pediatric Psychology
American Psychological Association: Division of Clinical Psychology (12) and Clinical Neuropsychology (40)
President, Division 40, American Psychological Association (1996-1997)
Council of Representatives, American Psychological Association (2002-2005)
Southeastern Psychological Association
Florida Psychological Association
Center for Neurobiological Sciences, University of Florida (Associate)
President, Regional Chapter, Florida Psychological Association, (1980-1983)
Member, Education and Training Task Force, International Neuropsychology Society, (1980-1981)
Member, Board of Governors, American Board of Clinical Neuropsychology, (1991-1994)
Program Committee, International Neuropsychology Society, International Meetings, Mexico City, (1983)
Program Committee (Division 12), American Psychological Association Annual Meetings (1985-present)
Program Chairman, International Neuropsychological Society, Washington, D.C., 1987
Phi Beta Kappa Selection Committee, University of Florida (1988-1990)

Local Arrangements Chair, International Neuropsychological Society Annual Meeting,
Orlando, 1990.
Graduate Faculty, Center for Gerontological Studies, (1979-present)
Graduate Student Faculty, (1978-1979)
Doctoral Research Faculty, (1979-present)
University of Florida Faculty Co-Director, Center for Neuropsychological Studies,
(1983-present)
Alcohol and Aging Research Center Faculty, (1982-1985)
Senate (1984-1986), (1988-1990)
University of Florida Graduate Council, (1986-1989)

CONSULTANTSHIPS AND EDITORIAL BOARDS:

Consultant - Geriatric Medicine Fellowship Training Consortium, Gainesville V. A. Hospital and Department of Medicine, University of Florida College of Medicine, (1978-1988).

Consultant - State of Florida, Department of Health and Rehabilitative Services, Division of Vocational Rehabilitation, (1980-present), Division of Children's Medical Services, (1981-present).

Consultant - Oak Park Geriatric Clinic, Department of Medicine, (1978-1985).

Associate Editor - *Journal of International Neuropsychological Society*, (1994-1999)

Editorial Board - *Educational Psychological Measurement*, (1982-present).

Editorial Board - *The Clinical Neuropsychologist*, (1986-2000).

Editorial Board - *Journal of Clinical and Experimental Neuropsychology*, (1989-present).

Editorial Board - *Archives of Clinical Neuropsychology*, (1993-present).

Editorial Board - *Neuropsychology*, (1994-1996).

Editorial Board - *Neuropsychology Review*, (1988-present).

Ad Hoc Reviewer - *Health Psychology*, (1984-present); *Journal of the International Neuropsychological Society* (1999-present).

Ad Hoc Reviewer - *Journal of Clinical and Consulting Psychology*, (1986-1991);
Journal of Pediatric Psychology; *Professional Psychology*; *Neuropsychology*.

NIMH-NICHHD - Scientific Peer Review for Grants (1986-present).

Chair MHAI-1 - Initial Review Group (Mental Health, AIDS and Immunology) 1994-1995.

NIAID - Scientific Study Section: AIDS Grants - Psychological, Psychosocial and Behavioral Effects of Aids. (1991-1995).

NIMH - Consultant to Protocol 188 Neurological and Neurobehavioral Studies of Pediatric Aids: A Methodological Study.

FUNDED GRANTS:

Principal Investigator: Psychophysiological correlates of affect perception in schizophrenia. University of Florida, Faculty Development Award, Division of Sponsored Research, (1979-1981) (Total \$8,000).

Co-Principal Investigator: Callosal dysfunction in schizophrenia. University of Florida, Faculty Development Award, Division of Sponsored Research (1980-1981) (Total \$2500).

Co-Investigator: Teaching coping strategies to families of patients with dementia (with G. Caranasos and J. Krischer) Roberts Woods Foundation (1983-1985) (Total \$140,000).

Co-Principal Investigator: Pediatric Renal Failure Therapy: Neurobehavioral Effects (with R. Fennell) NIH (1983-1987) (Total \$186,970).

Co-Investigator: Covert Physiologic recognition in alcoholic amnesia (with R. Bauer) NIAAA (1983-1986) (Total \$137,070).

Principal Investigator: Neurobehavioral Correlates of Acute Lymphocytic Leukemia University of Florida College of Medicine Institutional Cancer Grant (Seed money). (1984-1985) (Total \$3900).

University of Florida, Competitive Graduate Research Assistantships, Awarded 1983, 1984, 1986, 1987, 1988 (Stipends awarded to students assisting on research projects).

Principal Investigator: Neuropsychological Dysfunction in Pediatric Cancer Patients, United Cancer Council (1990-1991) (Total \$7500).

Principal Investigator: Attentional and Memory Dysfunction in Pediatric Brain Tumors (1991-1992) (Faculty Development Award University of Florida Sponsored Research, \$14,000).

Consultant: NIMH Protocol 188 Neurological and Neurobehavioral Development in Pediatric HN Infection (Yearly Contract, 1992-1997 [22,000]).

Co-Principal Investigator Neurobehavioral Subtypes of X-linked Mental Retardation, NIH, (Subcontract - H. Lubs, M.D & K. Voeller, M.D.) 1995-2000.

Consultant NMH Program Project on Lyme Disease (Stony Brook Medical School, SUNY, P. Coyle, MD, P.I.) 1996-2001.

Principal Investigator Attention and Memory in Pediatric Mild Brain Injury (UF Brain Institute and Brain and Spinal Cord Injury Research Grant) 2001-2003.

Principal Investigator Florida Developmental Disabilities Council (FDDC) White Paper on The Importance of Neuropsychological Services for Individuals with Developmental Disabilities (\$40,000).2004-2005.

LICENSURE AND BOARD CERTIFICATION:

Florida Psychological Association 1981 (Certified Psychologist) State of Florida
(Psychologist) [License No. PY0002191] 1982 - present

American Board of Professional Psychology (ABPP) - Clinical Neuropsychology (ABCN)
(Specialty Certification) 1985 - present

COURSES TAUGHT:

Graduate School Curriculum

Neuropsychological Assessment
Higher Brain Function
Adult Assessment
Clinical Psychology of Aging
Practicum in Clinical Psychology
Advanced Practicum in Clinical
Neuropsychology
Child Neuropsychology

Medical School Curriculum

Phase B Psychiatry
Section on Learning and Application
to Clinical Treatment

Phase B Medicine
Section on Geriatric Medicine

WORKSHOPS TAUGHT: (*State, National and International Meetings*):

Adult Neuropsychological Assessment
Child Neuropsychological Assessment
Clinical Assessment of the Head-Injured Child and Adolescent
Memory Disorders Following Closed Head Injury
Development and Assessment of Visuospatial Abilities in Children
Neuropsychology of ADHD
Treatment of Memory Disorders
Assessment of Amnesia
